

Future Forces

EXHIBITION & FORUM

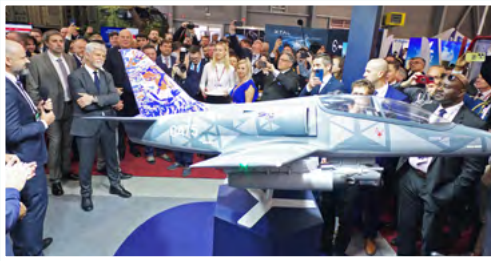

21-23 OCT 2026 | PRAGUE

International Exhibition
and Expert Forum for trends,
technologies, and solutions
in defence and security

Part of

**FUTURE
FORCES
FORUM**

THE STRATEGIC HUB FOR INTERNATIONAL DEFENCE & SECURITY

For over 25 years, the Future Forces events have established Prague as valued platform for international defence and security networking, driving **multiple-level B2B, B2G, and G2G** interactions.

Our unique concept combines a premier **exhibition** with **expert panels** and **official NATO working group sessions**, providing an unparalleled opportunity to:

- **Present** the latest technologies and solutions.
- **Discuss** core tasks and principal objectives with military, law enforcement, and governmental delegates.
- **Explore** vital business and cooperation opportunities within national and global security sectors.

SCALE, REACH & IMPACT

Future Forces 2026 is the essential meeting point for decision-makers and innovators.

Expected Participants	9,000+ from 70+ countries
Exhibitors	400+ from 35+ countries
Exhibition Space	Over 20,000 sqm across 7 halls
Expert Content	40+ Conferences, Workshops, and Seminars

Program Highlights

- **Official NATO Engagement:** Host to annual working group sessions, including the **NAAG** Land Capability Group Dismounted Soldier Systems (LCGDSS) and **NSPA** Dismounted Soldier Equipment User Group (DSEUG).
- **NATO Pavilion:** Direct access to key NATO Divisions, Organizations, and Agencies presenting projects and future cooperation programs.
- **Live Demonstration Zones:** Extensive indoor and outdoor areas, now including options for flight demonstrations, tactical training, and a **newly introduced Live Firing Range** for testing firearms, ammunition, protection, and optics.
- **Free Exhibitors' Stage:** Dedicated theatre space for exhibitors to conduct complimentary presentations and live product demonstrations as part of the official event program.
